Grandstand Road, Hereford, HR4 9NG

Dear Parents and Carers,

On the morning of 3rd December 2026, we will be welcoming into school the *'Your Impact'* Team from Hereford and Worcester Fire and Rescue Service to deliver a road safety package to our Year 10's

'Your Impact' is a multi-agency road safety initiative aimed at reducing death and serious injury amongst young road users in Herefordshire and Worcestershire.

Students will rotate around 4 workshops which include:

- **Active Travel – Cycle and pedestrian safety**
- **Police – Impaired driving covering the effects and risks of drink and drug driving**
- **Virtual Reality – Virtual reality headsets showing a re-enactment of a Road Traffic Collision**
- **Seatbelts and Distractions – seatbelt safety and distractions to drivers**

We would encourage parents/carers to make us aware if your child has been involved or had family involved in a road traffic collision previously and in addition any child who is unable to wear virtual reality headsets due to a medical condition.

If you would like to look more in depth at what the visit includes you can do so on the HWFRS Website on the following link - Your Impact | Hereford & Worcester Fire and Rescue Service

Many thanks,

Teri Hobbs
