Dear Parents, carers and families

Re: - School PE Kit

Following on from previous letters regarding school uniform and PE kit expectations, I would like to take this opportunity to remind everyone of the expectations around PE kit from September onwards, giving several months to ensure all students have the right kit for the start of next year.

PE kit will still be worn to school on the day your child has PE and this needs to be appropriate to the weather conditions/time of year. Plain trainers must be worn on these days.

The expectation is that the PE Polo shirt, PE long sleeve sports top must be worn along with plain navy shorts or tracksuit bottoms (available from most supermarkets at a very reasonable cost). These must be plain and have no logo or stripes down the side.

All of this can be purchased on the school uniform website through the Nationwide uniform link. They also provide the appropriate school uniform and are reasonably priced. If you do need to talk to us about support with uniform costs, please contact school.

We recommend your child has the above uniform this is to eliminate any competitiveness in regards to branding and clothing. However, we understand if finances are tight and recommend if you need to, you can purchase unbranded, plain Navy PE sportswear.

No other tops/hoodies will be acceptable. If your child does come into school wearing incorrect uniform or hoodies, we may call you to come into school and bring a change of clothes.
