Dear Parent, Carers and families

Return to school plan in September for Primary

Just before we break up I thought it best to write to you all about the plans for September. Please be mindful that the situation may change with amended guidance before then, and I will keep you all informed via Facebook/ text etc.

With the Government's announcement about the continuation of lifting of COVID restrictions during the summer and the publication of the latest school guidance, we have a clearer understanding of how we should operate in September.

Although the majority of restrictions are lifted (they will not have to wear face coverings or distance) it is still important that we continue to work together to ensure we minimise risk of transmission. Please do not send your child into school if they are unwell and/ or displaying COVID symptoms.

In September, only positive cases will have to self-isolate with contacts being allowed to attend school as normal and test regularly at home where appropriate.

Please rest assured that the safety of pupils, staff and their families remains our highest priority and we will continue to review our safety measures and procedures on a regular basis.

I very much look forward to welcoming all the pupils back on Monday 6th September in which I sincerely hope will be a more typical year! Thanks so much for your continued support. Have a wonderful summer break.

With my best wishes

Michelle Parkes
Headteacher
