Dear Parent/Carer

NCFE Food and Cooking Skills qualification

As part of the NCFE Food and Cooking Skills qualification pupils are required to complete a range of cooking tasks which seeks to develop their knowledge and skills around cooking and to create the evidence to complete the qualification.

These lessons will involve the pupils undertaking food preparation tasks, where ingredients will need to be provided so that the tasks can be completed. The intention is that the pupils will undertake a food preparation task each week.

Rather than asking each class to bring in these ingredients from home, we would ask that the parent carer makes a voluntary contribution of £10 for each half term that the pupils complete a food preparation task. In doing so this will mean they can bring their cooking home, to be shared and enjoyed! The school will arrange the purchase of the ingredients needed.

You can contribute each half term (£10), or pay for a term (£20) or even the whole year (£60) in advance, this can be indicated on the reply slip below

I would be grateful if you would be able to make this voluntary contribution. If this causes any difficulty, please contact the finance office at school to discuss this.

Please complete the form below and hand in the school office with the cash payment.

Thank you for your support

Yours faithfully

Rob Broadbridge
Design and Technology teacher

To Finance Office

Please find enclosed my voluntary contribution to cover the costs of completing the food preparation tasks as part of the Food and Cooking Skills unit of work

Name of pupil _____

1 half term	£10	
1 term	£20	
Full year	£60	

Parent/Carer signature _____ - Date _____
