Dear Parent/Carer

As part of the Geography/Science curriculum I have organised a trip to The Elan Valley near Rhaydar in Powys. The visit will take place on Wednesday 5th February 2020

As well as a guide round the valley, the children will experience a tour of the Pen y Garreg Dam. The trip will take place in normal school hours. The children will need to bring a packed lunch but if your child qualifies for free school meals please contact Mrs Ellis if you require one to be provided.

The children are allowed to wear their own clothes for this trip. Please make sure they have a warm jumper/sweatshirt, comfortable trousers/jeans, footwear suitable for walking and most importantly a raincoat.

To cover travel costs a contribution of £3 per pupil is required. Pupil may take an additional £5.00 to spend in the souvenir shop. This is optional and at your discretion.

Please complete the form below including the necessary funds and send it back to school as soon as possible.

If you have any questions please do not hesitate to contact me. The Elan Valley is a very interesting and exciting experience for Year 6/7 pupils which will help them enormously in their understanding of habitats and ecosystems.

Best wishes

Michele Walsh
Science Teacher
Class 1 Form Tutor
