5<sup>th</sup> May 2022

### **Arrangements for Arrow students – from Monday 6<sup>th</sup> June 2022**

Dear Year 11 parent/ Carer,

I cannot believe that we are in May already.

As you know, this is your child's last year with us (I am not allowed to keep them and I have asked!)

Schools use the time after half term for study leave to give Year 11 students time to prepare for remaining examinations and to complete transition to Post 16 providers like colleges or training centres. For the school, it also allows valuable time for our new cohort to start their transition.

Students currently attending work experience placements and or farm provisions will be able to attend Arrow on these days as per timetable until Friday 24 June.

The last day for Year 11 pupils will be the 24<sup>th</sup> June, after this they are taken off roll. Colleges and training providers may hold events after this and we will advise you of anything that affects your child.

If you have any questions or wish to discuss your child's individual timetable, please contact Jan Greene Arrow Manager.

Yours sincerely

Michelle Parkes  
Headteacher
