Grandstand Road, Hereford HR4 9NG

22nd June 2020

Dear Pupils, Parents, Carers and Families,

As we have been encouraging our pupils to come in over the past 12 weeks during the lockdown period we have allowed phones to be brought in, providing that pupils are sensible, do not take photos and only take them out with staff permission at break times.

As we now move into a new phase and look to return to a more 'normal' way of working, I am writing to let you know that from 24th June phones will need to be handed into reception as before. These will be locked up in the office in a locked cupboard until home time.

Pupils will be allowed to use their phones or other devices in taxis/ transport but will need to be handed in immediately on entry. I realise this will be difficult for some of our pupils, but this will help them socialize and will ensure that they are using technology in a safe and monitored way through our school networks.

If there are any questions or concerns, please, as always, contact me on the number or email below.

Kind regards

Michelle Parkes
