9th December 2020

Dear Parents, Carers and Families,

As you know, we have kept our Y7s and some of our Y8s in a 'primary' style base this term as last year was so disrupted by the pandemic. We also thought it would help our new Y7s settle into the secondary building and to a secondary timetable. I am pleased to say they have generally impressed us and seem to be ready to start moving around classrooms. They are already used to art and PE and we now intend for them to start having English, Math's and Science with specialist teachers alongside those subjects which are already established.

To this end, we have split the current Class 1 into two groups – some children are not yet ready to move into this new class and will continue to receive a higher level of nurture, support and primary teaching. Class 1 will remain with Miss Hannah Mapp in their current classroom and Class 2 will move to the English room – their form tutor will be Ms Michele Walsh.

If your child is in Class 2, Ms Walsh will contact you to introduce herself.

If you have any questions or concerns, contact me at school or on mparkes@brookfield.hereford.sch.uk

Yours Sincerely

Michelle Parkes
